1.2.106

a Lesson in the University of The New Covenant

Theodore Cottingham, August 10, 2004, St. John's Episcopal - Tape 31-a

www.unc.bz

1. The next step is before you, letting you be you, letting Me be Me, letting Me be Me in you, letting Me be Me through you, so much so that I come through you, so much so that others see Me and see Me more than they see you. I see you, do you see Me? How much more will you let Me see and be seen by you, through you, to you, from you, throughout you, throughout your kingdom, My Kingdom coming forth in light and resurrection power, prism forming focusing devices for only Me. I love you.
2. I love you and I give you Me, My Bride, My Ted, My Ted's, My who love Me so sincerely, so deeply, who operate with integrity spiritual, integrity commercial, integrity of heart, integrity of thought, integrity of vision and what you lay your eyes on, what you let your eyes see, what you let your ears hear. I love you and I give you Me.
3. Protect your ears and clean them saith the Lord of Hosts, Me to you, this day. Me to you, you who read this, you who listen to this, clean your ears, protect your ears from the evil one and that which seeks only to destroy, control, manipulate and taint and then destroy--after having gleaned and tilled and robbed, then destroy. I love you and I give you Me.
4. Protect your eyes. Protect your thoughts, guard them with your heart. Guard your heart with Me, with them, with what you let come through the gates of your mind, your spirit/soul, your thinker/being. I love you. I give you Me and I love you. And I love you for your words spoken, your heart prostrate before Me, bowing low. I love you.
5. Arise, My Bride. Arising My Bride I am--those who know Me in secret, those who have known Me in shadows and dark places in the night crying out to Me; interceding for their families, for their loved ones, for relationships, for people in distress, nations in turmoil, poverty depth'd into their soul, the soul of their dirt, the land they walk on. Cleanse it for Me, will you?
6. Cleanse it for Me the way you walked, the way you repented, the way you stood in the gap in London Royal and let Me use you in repentance royal.
7. Let Me use you to cleanse the sores of My lepers, those who have been eaten away by mice of men, the minds of men so carnivorous.
8. I love you this day and I lift you to heal My body, to heal their emotions, to heal their land, to come forth in I Am regal-ery, arrayed in the power and authority that I have already given.
9. Who can see Me? Who will listen? Who will give ear to My words this day? You? Will it be you? Will it be you, oh little one thought? Little in your own eyes, even as a grasshopper, afraid? Mighty not thought, but mighty still. I love you.

10. Who will give ear to My words? Who will see Me? Who will open their eyes, their hearts to the meaning of My Word, My words revealing Me? My prophets, My prophets, My prophets of old, ancient and yet so very real, living today--new ones that I broadcast in, that I broadcast in sine waves of only Me.
11. Receive my oscilloscope in your heart, mind and thinking to see Me.
12. Open your eyes.
13. Who will see the word of the Lord? Who will hear the word of the Lord? Who will do the word of the Lord? Who will stand in the gap and make up the hedge? Who will stand? Who will repent on the lands? The lands of many, the lands foreign, the lands of witchcraft, boundary'd in poverty, poverty stricken, poverty delineated, poverty permeated. Will you release Me to fight, to come, to call, to confirm, to cleanse, to heal their sores, to heal their land, to heal their words, to heal their hearts, their families, their nation, their economies and flourish and prosper in Me? Is there any doubt of the correlation? Is there any doubt? Is there any question at all in the honoring of Me and My word? My word, My word, My word, My Cross, My blood? I Am.
14. There is no doubt, only the blind cannot see who choose to be blind. I am coming and I am calling in power in might and prowess of only Me. I love you.
15. My Bride comes, My Bride arises, My Bride comes and takes My hand, My Bride bows low, and I bow to My Bride and I lift My Bride and My Bride rides with Me on rays of understanding, pillows of wisdom, righteousness bestowed, chosen, royal'd righteousness, reconciled to My kingship, to My queen-ship, to My Bride-ship, one-ship with only Me, Me'd, Me'd with only Me. I love you. Single eyes for Me. I love you. Hearts for only Me. Righteousness and fearlessly being afraid of no one, no thing, no institution, no accrediting body, no authenticity sought. I love you. I give you Me. I give you power. I give you might. Walk in My might and power and authority that I have given you this day, speaking forth words of creative deliberation.
16. **I plan, I strategize**, I hovered over the waters, I waited on the commands from My Father, and I waited and I work, and I work the works of Him who sent Me. I speak and we are one and our one-ship increases, our body grows, My family lives. My family lives in might and power and glory and majesty and honor and arrayed, arrayed in the regal-ry of the most High. I love you.
17. On steeds the mighty army comes, mighty steeds [Joel 2], astro vehicles of only Me.
18. Laugh not you mockers, who derision seek to increase your popularity; displaying, conveying words of derision of Me and what I am doing; what I am doing with My servants simple, and My servants simple all over My world, My globe, My constellation of networks, My church, My body, My body broken for you, My body broken for each other, each other, broken for each other; My church, My body, My body broken for you, My body broken for each other, each other broken for each other, serving Me to each other, bread and wine coming forth in the priesthood of all believers.
19. See Me. See Me royal and see Me royal-izing you and think not division. Dereliction not. Diligence, diligence, diligence in Me, due diligence, see Me. I love you. I give you

Me. I give you Me, I give you Me, I give you Me, I give you all of Me. I thank you deeply one thousand times, molecularly, structurally--in every time you have said, "I give you me, I give you me, I give you me." I receive you, I receive you unto Myself, that where I am, you may be also.

20. I am I Am. You are I Am. You are 'I Am-ing' My body with the words of My power, the words of My mouth, the words of My heart coming through your heart, your being, the words of your mouth in replicable formats of only Me, empowering My who will listen and Me be this day.

21. I am 'I Am-ing' you My reader, My listener, My hearer, My wonder-er, and you who will fight to behold Me and see Me, and see Me in the regal-ry. I Am will have the power, might and authority to walk in lands and nations and reclaim them for Me; defeating the power of mammon and control, poverty making descriptors and conscriptors, demagogues of only not Me.

22. I demand, I command, I arise you this day. Arise in the regal-ry of which you are, of who you are, of how I have made you, of what I have given you, of how I have placed Me inside you and you have received Me.

23. Open up to Me in the power of your might which is the power of My might--your might submitted. I thank you. I love you. I bless you. I give you Me this day. I commit to you, I commit My words to you, My promises are pure and true and living water, washing the impurities of selfishness and self-tainted-ness and self-unrighteousness away. I love you and I give you Me.

24. The rocks and the hills cry out, they come even now to speak to Me and bow before Me as I come and I come increasingly. My son, My Sonshine, My Sonshine with an "o", My Sonshine, My Son, My Son arises, My Son arises in beauty and majesty and I arise you My body, arising you to meet My body in wholeness and purity in white. I love you. I give you Me. I bless. I arise you this day, I forgive you, I forgive your sins, I forgive your past.

25. Let not yourself remain in the dregs of dogmas and divisions. Come to Me, come to Me, come to Me. Repent and regal-ry be, royalty be, arising fearlessly, fearing not to walk in nations where darkness pervades and permeates and repenting for sins of the past--sins against Me, sins against My Father, sins against us, sins against each other--man clashing with man, destruction, destroying each other. I love you and I lift you this day.

26. War be, war you are, war you were in, war you cannot escape, you are conscripted into the army you choose. Deliver yourself today into My hands, My hands so that I may deliver you to the kingdom of righteousness, holiness, Me, honor, glory, respect, love displayed, personified in only Me. Walk Me, be Me this day, walk in might and power, walk not in the little-ness of impatience and self-righteousness in the rights that you think you have.

27. You who think you are mighty, bow low, bow low and repent, bow low and repent this day. You who think you have so much, naked and blind, repent. I love you and I give you Me.
28. I give you might and power from the Kingdom of Heaven, in you, through you this day in your touch, in your words, in your eyes, in your walk, in your relationships and friendships with only Me, first and foremost, and Me introducing you to the rest of My family all over My globe, My family, My kids, My sons, My daughters, My family of every tribe, nation and tongue.
29. You respect My body, you respect My body, you never disrespect My body, you never ever disrespect My body anymore for their color, for what they have, for what they don't have, for what they look like. They are My body, the work of My hands and I command you this day to repent. You repent for the discrimination you have placed and walked in, in My body, in churches, in institutions and schools. I repent, you repent. You repent and walk in the fullness of My love My body.
30. Circumstances present themselves and I rend circumstances royally into the Kingdom, description of My hand.
31. Now listen to Me and be Me. Listen to Me and walk Me. Listen to Me and have my authority and might and power and walk in the prophetic. Walk in the apostleship that I have given you that you are. You are one, you are one, you are one and let no one tell you you are not one. Did I not place My work in you for you to do? Did I not give you My works? Did I not plan them for you before I fashioned you in the womb? Yes, and I connected you with My passion and My works for you and you have the ability to do what I say when I say do it.
32. Now see Me and walk Me and be Me and walk in My power and authority and let not circumstances dictate any limitations and boundaries to you.
33. Create with the word of your mouth, the power of your heart, the surrender, the submission, the submission, the surrender, the surrender, the submission so that your leadership comes forth, so that My words come forth that you know My will, My words, and can speak forth My will and My words and walk in My will and My words and be My will and My words, being Me, knowing My family in every land, having friends in every country, nation, tribe and tongue, your mind expanded, your mind expanded, your minded expanded, exploded into Me for which I designed, limited not by the fall of man.
34. I love you and I come to you and I come to you this day and I come to you without limits--there are no limits in Me. See Me in My scriptures. See Me in My gospels. See Me. See Me. See Me.
35. See what I have done and see what you can do. See what you can do, see Me in what I have done, see Me in what you can do, see the opportunity, the power and might that I have laid before you this day if you will walk in but Me: self-righteous not, controlling not, manipulating not, seeking riches not, but seeking Me, Me, My Kingdom, My Kingdom, My worth, My blood, My Cross, falling to the ground and dying, dying, dying to self, dying to self; getting up at My command, at My tender touch, after I have

cleaned and washed, washed your feet, washed your heart, given you all of Me and you understand.

36. You understand how to walk now in lands many and lift people and repent and arise and kiss their hands and kiss their feet and lift them, and if you are not willing to do that you are not willing to be Me. I love you and I give you Me.

37. I repent, you repent. Now be Me and walk in the Kingdom of Heaven on earth, I command you.

38. I delight in you this day you who will, you who will, in these words Me see. You who will look in the mirror and in Me see and say who I am, say who you are, and say who I say you are, and let them be one, and realize the power and might that I have placed within you has no limits. I love you.

39. Transition be, transition powerful be into the raising of My army--Joel 2, Joel 2 released fully, experiencing Isaiah 61. Acts 2 daily, daily, daily, and the revelation of My word coming from your mouth, from your own very lips, from your very own lips every day into triplicatable digitizing devices of only Me, My word going forth, filling the earth. My Word, My Word that should have never stopped being, becoming, flowing, now flows forth--hydrants of only Me--hydrants, hydrants hydrating My body, hydrating My body with living water, the living water from My throne, hydrating My body: the hearts, the souls, the minds, the spirit, the spirit/soul-thinker/mind, all encompassed, being, and all influence coming forth from My body into each other, bread and wine-ing each other in might and power, in glory and majesty of only Me. I love you.

40. Hydrate My body. Hydrate: flow, flow My words, flow My truth, My revelation, My knowledge, wisdom, and understanding; a science revealed, what you call science, in every aspect of your world, every aspect of My world opened to you this day. I love you and I give you Me.

41. Spread before you are My delicacies, My truth, My truth as never before in history [Joel 2:2]. See Me and select Me and choose Me and powerful be walking the lands, the lands of might, and power and glory thought, and the lands of mice and men destructive, repenting for Me, and reclaiming for Me. I love you.

42. Now listen to Me and strategic be, forget not your training and train more, train others and value, value Me, value Me, value Me, value Me more; value My pattern, value My words in red, My words now coming forth from you in red--My blood, My blood stained, My blood pure, My blood and the words coming forth, hydrating, giving life to My body, resuscitating the weak, strengthening the strong, all in only Me. I love you.

43. I give you Me, My Bride, My Bride, My Bride who I arise this day, My Bride who I arise in meekness and honor and glory as you meekness, honor and glory and walk in with each other. I love you.

44. Honor each other.

45. Love each other.

46. Forgive each other.

47. Forgive Me and walk in Me.
48. Forgive each other and walk in Me.
49. Forgive each other and be Me.
50. I love you. I love you. I love you. I love you My bride. I love you My sons. I love you My daughters. I love you My family. I love you My hurt ones, My ones in such pain, disease experienced, disease experiencing, under such condemnation, guilt, manipulation, control, incarcerations of the mind -- **I free you all this day and I free you to free each other**. Now walk in glory, walk in glory, knowing the more you give the more you have of Me, of Me, of Me.
51. See Me. See Me in you. See Me in each other. Include Me in every conversation, in every thought, in every prayer, in every project.
52. I love you and I come forth, I come forth, I come forth, I come forth, I come forth, I come forth like no other, I come forth mighty, I come forth blessing-ed to your soul. I love you. I give you Me. I bless you.
53. I go now, you go now, I go with you, you go with Me, we walk together, we walk through each day and each night as one, Me and you, you and Me, we, together as one--My body functioning as I designed, walking in love personified, displayed.
I am love, you are love, be love, be Me. I love you.
Amen
